Smiles for life

ENTER TO WIN...COLOURING COMPETITION:

Download the "Enter to Win" colour page from our website, colour it in and drop your entry into the surgery to be eligible. Otherwise you can pick up an entry at the surgery. Closes August 10th 2019 to coincide with Dental Health Week.

FIRST PRIZE – "OLLIE" PUPPET

High Tea Party

In December last year, The Tooth Fairy hosted a High Tea Party. She invited a few of her friends that came to visit her when she was here at our surgery last year.

Abigale, Elliot and Emily Crawford were our lucky attendees and they had a fun filled morning chatting and eating with the Tooth Fairy.

We are now one of the major sponsors for the Macarthur Saints Junior League Football Club Under 6's Team. We are happy to help out this fantastic team and wish them well over the coming season. Their home ground is located at Oswald Reserve, Rosemeadow. We will continue to let you know how the team progresses during the year.

The team consists of 10 children under 6, Coach - Nathan Osborne, Manager - Renee Bevan, and Ross MacDiarmid - First Aider.

For more information about this club - check out their website:

Celebrating 25 Years of Service

Did you know our surgery has been in Campbelltown for over 25 years. Family Dental Care opened in Campbelltown on Sept 20th 1993.

We took over a small dental practice, starting out with one dentist and one dental assistant. We now have three dentists, a Practice manager, an assistant Practice manager, a Social Media Manager and five Dental Assistants, which ensures good practice management and very high levels of infection control.

From the desk of..

Jody talks about...

As the manager, I help direct the feel and look of the practice. Growing up with fearful memories, that weird dentist smell, and clinical environment of the dentist, I decided it was absolutely NOT what I wanted for our patients. From the colours painted on the walls, the fun waiting room and cuddle buddy teddy support bears, the aim is to offer comfort and reassurance to all who enter.

I employ only gentle and supportive employees that have a deep commitment to helping others. A combination of this environment and qualified team, offers patients a positive dental experience. The kind gifts, expressions of appreciation and lovely compliments means the world to me and to the team. It encourages and reassures me to know we are making a difference.

ARE YOU HEARING IMPAIRED?

Did you know we can organise an AUSLAN interpreter for your dental visits? It's one of the things we do for our wonderful patients!

This is a free service provided by the National Auslan Interpreter Booking and Payment Service (NABS). NABS provides interpreters for Deaf, Deafblind and hard of hearing people who use sign language and would like an interpreter for private health care appointments.

If you think you may need one for your next appointment, please let us know and we will set it up for you!

FREE STUFF

Our patient's are important to us, so whenever we can, the Family Dental Care team want to encourage good oral hygiene, fun experiences for kids and celebrate all things dental. Each month there will be fun promotions that may include free dental items, fun competitions or activities! Below are the promotions for April, May & June 2019. To be eligible for a promotion, you must make and attend an appointment for a check-up in the month that the promotion is running.

For full terms and conditions, please consult our website:
